COMPANY PROFILE

SUMMARY

Aldeyra Therapeutics Inc (formerly Aldexa Therapeutics Inc; Neuron Systems Inc), a biotechnology company incorporated in 2004, focused primarily on the development of products to treat diseases thought to be related to endogenous free aldehydes, a naturally occurring class of toxic molecules.

FINANCIAL

In January 2015, the company entered into a definitive purchase agreement to raise about \$2 million in a private placement of common stock and a warrant to purchase up to 211,528 shares of common stock each at a price of \$0.125. The exercise price of the three-year warrant was \$9.50 per share. Aldeyra might redeem the warrants at a price of \$0.001 per share upon notice to the holders, when the company's common stock for each of the 15 consecutive trading days prior to such redemption would at least be \$20 per share and the average trading volume of company's common stock during such period would be 50,000 shares per day. At that time, the company also agreed to sell an aggregate of 211,528 shares each at a price of \$9.33. Later that month, the private placement was completed.

In January 2015, the company entered into a definitive purchase agreement to raise approximately \$7.79 million in a private placement of common stock and warrants and also agreed to sell an aggregate of approximately 1.1 million shares of common stock at a price of \$7.00 per share and at an exercise price of \$9.50 to the investors. At that time, the warrants would expire in three years from the date of issue and also the company was required to file a registration statement for the resale of the shares of common stock issued and issuable pursuant to the warrants. The closing of the offering was subjected to the satisfaction of customary closing conditions; later that month, the offering was closed. Aldeyra might redeem the warrants at a price of \$0.001 per share upon notice to the holders, when the company's common stock for each of the fifteen consecutive trading days prior to such redemption would at least be \$20.00 per share and the average trading volume of company's common stock during such period would be 50,000 shares per day.

In June 2014, the company was added to the Russell Microcap Index.

In May 2014, Aldeyra was to raise gross proceeds of \$12 million from an IPO of 1.5 million common stock shares priced at \$8 each. The underwriters were granted a 45-day overallotment option to purchase up to 225,000 additional common
